New Century Theatre, an Equity summer theatre company celebrating its twentieth year of operation, has a select number of internship positions available for their upcoming season. Each summer, NCT produces 4 mainstage productions plus three family-oriented productions in the air-conditioned Mendenhall Center for Performing Arts. Their work continues to receive acclaim from Valley media and a very loyal audience.

Interns will gain a variety of theatre skills in a professional theatre environment. Interns work along side our dedicated company members producing four mainstage productions and three PaintBox theatre shows in just ten weeks. This is a challenging undertaking. NCT relies on the dedication and hard work of its intern program to make the season possible.
